Therefore, we have planned Holiday Home Fun which would engage them in channelizing their energies during this break.

To keep your little ones indoors in the break and to utilize their time with constructive and creative activities that would help the children to learn new concept and revise the previous ones , Here are some tips for the parents to engage their kids regularly:-

MORNING BLESSINGS

Help your child inculcate good habits like doing "Surya Namaskar" and encourage him/her to wish all elders in the morning. If possible, visit a temple or any other religious place of your choice.

HEALTH AND HYGIENE

"Healthy mind resides in a healthy body." So start your day early and set a routine even during vacations. In addition you and your little one can spend some quality time playing, cycling, swimming to keep yourself fit and healthy.
